Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
24C"	n/a	Dogs who measure into the 8" through 20" regular jump height divisions may opt to enter the 24-choice height division at their owner's discretion. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

Classes have been scheduled so that most Masters/Excellent dogs will be finished running for the day before the Open and Novice classes begin. Exhibitors should make every effort to limit their time on the trial grounds to the minimum time necessary to prepare for and complete their runs, including measuring if a VMO or AKC Rep is present. Exhibitors who volunteer to work may remain on the trial grounds. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. However, because the gate steward should not be calling exhibitors to the ring by shouting out names of handlers or dogs, and handlers waiting to

run should be exercising social distancing, leeway will be given for exhibitors to make it to the ring for their run. If an exhibitor is not present when first called, they will be allowed to move to the end of their height group and run when called again.

MEASURING and HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Simplified Jump Height Card Process

When filling out the entry form, there is a section at the top of the form for the exhibitor to designate whether your dog needs to be officially measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs to Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

Entering a Mixture of Regular and Preferred Within Same Trial Weekend Multiple Jump Heights Within the Same Trial Day

Effective January 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard and JWW be either both Regular or both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple ump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day. A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend.

DOGS ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an **AKC Canine Partners listing number**, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of register able breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place **outdoors undercover** on **dirt**. Ring size will be **100x100**.

FIX AND GO ON (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Dogs entered in the **preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners'** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. NOTICE

The novel coronavirus, Coronavirus/COVID-19, has been declared a worldwide pandemic by the World Health Organization. Coronavirus/COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, limited or prohibited the congregation of groups of people. Southwest Agility Team (SWAT) and the Weimaraner Club of Albuquerque (WCA) have put in place preventative measures to minimize the spread of Coronavirus/Covid-19 for all of their dog agility trials, including participation as an exhibitor, spectator or as a volunteer. However, SWAT and WCA cannot guarantee that you or your families will not be exposed to or become infected with Coronavirus/COVID-19 while at SWAT/WCA trials. Further, participating in a SWAT/WCA trial could increase your risk, your child(ren)'s risk, and your dog(s)'s risk of contracting Coronavirus/COVID-19.

LIABILITY WAIVER

By signing this agreement, the undersigned acknowledges, on my behalf and on behalf of my minor child(ren) or minor child(ren) I am the legal guardian of that are listed below ("child(ren)"), the contagious nature of Coronavirus/COVID-19 and voluntarily assume the risk that my child(ren), my dog(s) and myself may be exposed to or infected by Coronavirus/COVID19 while at a SWAT/WCA trial and that such exposure or infection may result in personal injury, illness, permanent disability, or death. I understand that the risk of becoming exposed to or infected by Coronavirus/COVID-19 at a SWAT/WCA trial may result from the actions, omissions, or negligence of myself and others, including, but not limited to, the SWAT Executive Committee, WCA Board of Directors, and SWAT or WCA members, volunteers, agents, or representatives.

With full knowledge and appreciation of the risks outlined above, I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren), my dog(s), or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind arising out of or relating to Coronavirus/COVID-19 exposure/infection that I, my child(ren), or my dog(s) may experience or incur in connection with our physical presence at a SWAT/WCA trial. On my behalf, and on behalf of my children listed below, I hereby release, covenant not to sue, discharge, and hold harmless SWAT, its Executive Committee, members, agents, and representatives; WCA, its Board of Directors, members, agents, and representatives; and the Bernalillo County Sheriff's Posse and its board of directors, employees, members, volunteers, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or thereto. I also agree to defend and indemnify the released parties for any and all claims brought by a third party which arise from my, my child(ren(s))', or my dog(s)' attendance at a SWAT/WCA Trial. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of SWAT, its board of directors, members, volunteers, agents, and representatives, and WCA, its board of directors, members, volunteers, agents, and representatives, whether Coronavirus/COVID-19 exposure/infection occurs before, during, or after being at a SWAT/WCA Trial. In the event SWAT and/or WCA deem it necessary to employ legal counsel to protect their rights under this agreement and the court finds in favor of SWAT and/or WCA, I agree to pay all expenses incurred by SWAT/ and/or WCA in connection with any Claim, including, but not limited to, costs and reasonable attorney's fees.
